BOARD OF GOVERNORS

By FOLIO Staff

The Board of Governors and its Executive Committee met January 5, 1973.

NEW DEPARTMENT TO BE FORMED

Board members voted to implement plans for the formation of a Department of Religious Studies at the University.

Establishment of the department within the Faculty of Arts was approved by the Universities Commission five years ago, but the small Religious Studies unit remained under the administration of the Department of Philosophy. From 1967 to 1972, enrolments rose from 47 to 222. This year, approximately 450 students—a 100 percent increase over 1971-72—are registered in Religious Studies.

At present, 15 courses are offered by two full-time instructors and six part-time sessional lecturers.

CRITERIA FOR CONFIDENTIAL BUSINESS

The Executive Committee, acting on a request that the guidelines for determining confidential and non-confidential business be clarified, presented the following motion to the Board. The motion was approved.

"Normally, the following business will be conducted in closed session:

1. Matters where individuals are named in connection with appointments, salaries, tenure, salary increments, promotions, supplementary remuneration and income, fringe benefits, leave, dismissal, and appeals
2. Salary negotiations
3. Matters relating to the conduct of officers, staff, and students
4. Disciplinary proceedings
5. Questions of privilege of the Board or its members
6. Planning strategy towards a desired result
7. Business in which the originator asks that it be confidential.

"Matters to be dealt with in closed session will be determined by the Executive Committee by designation on the agenda. The Executive Committee will meet briefly prior to each Board meeting to determine what items will be dealt with by the Board in closed session at the next regular meeting of the Board.

"Any reservations about confidential business must be forwarded to the Secretary in writing between the date at which the

agenda is distributed and the date set for the meeting of the Executive Committee.

"This precludes the presentation of a procedural motion during the meeting of the Board to have a particular item transferred either to or from 'Confidential Business.'

"Once the agenda has been adopted the Board will automatically move into closed session when the item 'Confidential Business' is reached."

BUILDING SITE UNCHANGED

The Board Building Committee reported it had accepted the recommendations of the Campus Development Committee, reaffirming the siting of the proposed Business Administration and Commerce Building south of the Henry Marshall Tory Building. A further architectural study will be made to resolve the concerns of the Department of Geography regarding the impact of the proposed building on the Tory Building. The decision was made after the Campus Development Committee held an open meeting to hear submissions on the siting.

UNIVERSITY HEALTH SERVICE

On the recommendation of the Finance Committee, the Board voted to allow students who had previously decided not to opt for the supplementary services provided by the University Health Service to reverse their

decisions by paying the \$10 fee for the 1972-73 winter session only.

Approximately 55 percent of the students on campus opted for the services when they registered last fall. No statistics are available on the number of students expected to join under the new Board ruling.

GRADUATE STUDENTS GET SOCIAL CENTRE

A house owned by the University will be leased to the Graduate Students' Association (GSA) as a social centre, following Board approval of a recommendation by the Building Committee. The house is located at 11039 Saskatchewan Drive and will be rented for \$1 per year on a year-to-year basis. It will be up to the GSA to provide janitorial services, adequate maintenance, and alterations where necessary.

CONTRACT AWARDED

A \$56,850 contract for construction of a hazardous materials storage facility has been awarded to G and D Construction Ltd. of Edmonton. The facility will be located at the Parkland Farm, 116 Street and 68 Avenue.

REQUEST FOR FUNDS GRANTED

Members approved a grant of \$378 to help cover the touring costs of the St. Cecilia Orchestra and Concert Choir.

DISTRIBUTION OF CONSTITUENT BODIES ON SELECTION AND REVIEW COMMITTEES

At their meeting on January 5, 1973, Board members approved a request by the Association of the Academic Staff of The University of Alberta (AASUA) and the Non-Academic Staff Association (NASA) that the associations be given increased representation on the selection committee for the President and the review committee for the University Ombudsman. The latter committee was struck to review the Ombudsman position, which was created on a temporary basis in 1971. Increased representation on selection committees for Vice-Presidents was granted to the two staff associations in October, 1971. Membership on advisory selection and review committees is now as follows:

	President	Vice-Presidents	Ombudsman
Chairman of the Board	1		1
President		1	
Board of Governors	2	2	2
Senate	1		1
General Faculties Council	2	2	2
AASUA	2	2	2
Students' Union	2	2	2
Graduate Students' Association	1	1	1
Alumni	1		1
NASA	2	2	2

AGENDA FOR GENERAL FACULTIES COUNCIL MEETING

The following agenda has been received from MRS. MARGARET MIDGLEY, Secretary to the General Faculties Council.

A special meeting of General Faculties Council will be held on Monday, January 22, 1973 in the Council Chamber, University Hall at 2 p.m.

There will be continuation of the debate on the Report of the General Faculties Council ad hoc Committee on Tenure Procedures. (The first part of the debate is reported in the Minutes of November 20, 1972.)

For those unable to obtain seats in the Council Chamber, the proceedings will be relayed on closed circuit television to Room 3-15, University Hall.

NOTICES

INTERNATIONAL DEVELOPMENT GRANTS

The International Development Research Centre, created by an Act of Parliament in 1970, is offering 10 grants for research and travel in the developing countries for tenure during 1973-74.

The grant covers travel and research in the field up to \$1,500. Candidates must be young Canadian academicians working full-time at a university for five years or less. All applicants must hold Canadian citizenship or have a minimum of three years landed immigrant status.

Any area of research dealing with international development will be considered, particularly those in the areas of present concern to the Centre. These are: agriculture, food and nutrition sciences; population and health sciences; information sciences; and social sciences and human resources.

Application forms may be obtained from: Social Sciences and Human Resources Division, International Development Research Centre, P.O. Box 8500, Ottawa, Ontario K1G 3H9.

ASSISTANT DEAN FOR RESIDENCE SOUGHT

The position of Assistant Dean for Men's Residence (Henday Hall) is open for immediate occupancy. Interested graduate students or other members of the campus community should address inquiries to A. A. RYAN, Provost, 3-2 University Hall (telephone 432-3213).

CLASSROOMS FOR NON-CREDIT COMPUTING COURSES

Classrooms have been allocated for the non-credit courses to be given by Computing Services as announced in last week's *FOLIO*. They are: APL: General Services Building, Room 327; Introduction to computing and elementary FORTRAN: General Services Building, Room 615; MTS overview: General Services Building, Room 511; Text editing with FMT: General Services Building, Room 723.

PHYSICAL FITNESS TESTING CENTER

The Faculty of Physical Education has announced the opening of the Physical Fitness Testing Centre to students, staff, and general public again this year. The centre is located in the East Wing of the Physical Education and Recreation Centre, fourth floor, room E-412. It is open every Monday, 5:30 to 8:30 p.m. and Wednesday, 12 noon to 3 p.m.

The primary purpose of the centre is to inform individuals about their present level of physical fitness and offer suggestions for personal improvement. Anyone desirous of knowing his/her level of physical fitness can

make an appointment (telephone 432-5601) and undergo a battery of tests designed to determine cardiovascular fitness, general body strength, and amount of body fat. The data thus obtained will be analyzed and suggestions made to the individual for personal improvement. A nominal fee of \$1 (50 cents for students) is charged for this service. Medical certificates are required from registered physicians before testing can be authorized.

For further information call M. SINGH, Faculty of Physical Education, telephone 432-3612.

NASA SKI TRIP

The Non-Academic Staff Association is sponsoring a ski trip to the Silver Summit Ski Resort for members, their families, and friends on the weekend of February 3 and 4.

The cost is \$18 per person which includes the bus trip, overnight accommodation in a lodge at Silver Summit (linen supplied), and lift tickets for the two days.

The time at which the bus will leave the campus on Saturday morning and return Sunday evening will be announced later.

More information may be obtained from JUDI SENIO, Department of Psychology, 432-5216.

CHILDREN'S DIVING CLINICS

A series of clinics will be held for children aged nine and over, at all levels of diving, on Saturday, January 27; Sunday, February 11; and Sunday, March 18.

All clinics will be held between 8 and 9:45 a.m., and the cost is \$2 per session or \$5 for the series. The instructor will be T. CHONG. Registration should be made at the West Pool office during office hours.
